Client Testimonials

Great listener, great subject knowledge, kept us on track. Karen, you are truly great at what you do.

Chad Johnson, President, Ceramic Decorating Company

You took our knowledge to a high level of understanding that enabled us to accept a leadership role chairing a new CQI (Continuous Quality Improvement) committee for our State's Emergency Medical System.

Laura Wallin, R.N., CEN, Riverside County Emergency Medical System

Your approach is to-the-point, pragmatic, and down-to-earth. Straightforward communication enabled everyone to connect on subjects that could otherwise be difficult.

Maureen Kerr, Director of Human Resources, Sycuan Resort and Casino

Karen Trisko is motivational and able to articulate and teach Baldrige principles using practical models that our team could understand and put into practice. There was no 'down time'—highly responsive with great follow up and excellent written materials. Our favorite consultant.

Karen Ramage, President, TTI America, Inc.

You exceeded our expectations completely in helping us close our performance gaps.

Andrew S. Kohlberg, President and CEO, Kisco Senior Living

You simplified the concepts and techniques and made us realize that we CAN use them.

Elton Blake, Service Director, WLCAC WorkSource Center

This consultant really knows her stuff and makes it fun and enjoyable.

Betsy Ha, Vice President, CalOptima (Health Services for Orange County)

Excellent consultant, easily able to translate Baldrige into our organization.

Lt. Cmdr. Sharon Kingsberry, Naval School of Health Sciences, San Diego

The tools were beneficial. I can take these and apply them immediately.

Tracy Barron, American Association of Critical Care Nurses

Helped us get to the next step with strategy and measurement through practical exercises, case studies, and understanding of the nuances.

Col. Michael J. Conrad, District Commander, U. S. Army Corps of Engineers, Sacramento District

Clients are Delighted:

95% of Leading Excellence Clients rate their satisfaction with services at 4 or 5 on a 5-point rating scale.
